Annual Research Report

This document is the first Annual Research Report for the BLDEA's V P Dr. P G Halakatti College of Engineering and Technology, Vijayapura. The annual research report uses the year 2017-18 as the reporting period for compiling. While data in the report is shown in year-by-year progress, much of the data is reported in five-year rolling totals. The BLDEA's V P Dr. P G Halakatti College of Engineering and Technology research activities are at its growing stage. To give a robust and complete picture of the research environment at the BLDEA's V P Dr. P G Halakatti College of Engineering and Technology, the Annual Research Report examines numerous avenues of research work. The data examined reports on a varied range of activities including research funding, scholarly articles published and other research activities.

Institute Research Day

The Institute Research Day is an annual opportunity for researchers and faculty from the BLDEA's V P Dr. P G Halakatti College of Engineering and Technology to socialize, network, and share research experiences with researchers within and outside institute. The event will be held every year to recognize research contribution from the researchers.

2018 Institute Research Day – May 25 and 26, 2018

This year we will celebrate institute research day with two day workshop on “Organizing Research with Reference Management Tools”. Topics such as research ethics, journal selection, reference management tool, research avenues in medical field and other topics will be covered.

Awards

Research awards in three different categories are considered.

1. Best publisher from the department.

Criteria:

1. Maximum number of scopus indexed publication during 2016, 2017 and 2018
2. Number of publications. (If number of publications is same, selection is based on number of citations.)

List of Award Winners

Sl. No.	Name of the faculty	Department
1.	Prof Adimurthy Meda	Automobile Engineering
2.	Dr. (Smt) P.T.Akkasaligar	Computer Science and Engineering
3.	Prof (Smt)Anuradha S. Tanksali	Civil Engineering
4.	Prof (Smt) Daneshwari Hatti	Electronics and Communication Engineering
5.	Prof Veeresh Gonal	Electrical and Electronics Engineering
6.	Prof (Smt) Sumangala Biradar	Information Science and Engineering
7.	Dr. G.C.Sankad	Mathematics
8.	Dr.P.V.Malaji	Mechanical Engineering
9.	Dr. (Smt) S.N.Das	Chemistry

2. Best research scholar of the Institution.

- Criteria :
1. Scopus Indexed journal paper with Impact Factor - 05 points
 2. Scopus Indexed journal paper without Impact Factor - 03 points
 3. Scopus Indexed Conference Proceedings - 02 points
 4. Paper Presentation at Conference - 01 points
 5. Funded Projects - 05 points

Research & Development Cell

In a world increasingly propelled by technology, institute research is the foundation of any nation's economic growth. BLDEA's V P Dr. P G Halakatti College of Engineering and Technology, Vijayapur is committed to basic long-term research in frontier areas. While doing wonderful innovations in Teaching- Learning, the importance of Research & Development has not gone unnoticed. The institute has Research and Development cell to promote research-based teaching-learning thereby preparing students for successful careers. There is a well-established mechanism through which all R&D activities are promoted, encouraged and appraised. The R&D cell implements activities such as basic research, establishing centers of excellence, cultivating research skills in faculty by deputing for PhD, Conferences, workshops, Short term Training programmes, & promoting faculty to submit research proposals to different funding agencies. The R&D Cell is committed to technology-driven collaborations and linking the academic research with teaching curriculum
