Some of the quality initiatives by the IQAC of the college are:

Initiatives for improving Teaching- Learning Process:

1. Student feedback :

Evaluation of teachers by students' feedback is carried out at various stages as below:

- Self appraisal by faculty within two weeks of commencement of semester.
- Mid semester appraisal after first Internal Test by respective HODs.
- End semester appraisal(online) at the Institute level
- Exit feedback (online) from final year students at the end of VIII semester.

From mid semester students' feedback, faculties getting poor feedback are asked to improve to satisfaction of students by respective HoD or by Institute committee.

From end semester appraisal, faculty getting excellent feedback gets appreciation letters. Faculty getting poor feedbacks get advisory note to improve.

2. Teaching - learning

- Tutorial classes are conducted for difficult subjects.
- Remedial classes for weak students
- Assignments for all subjects.
- Establishment of Digital Library and Language Laboratory
- Availability of online learning e-resources
- Availability of Multimedia Projectors in Class rooms
- Deputing staff members to seminars/workshops/conferences/FDP/STTP to update their knowledge

3. Implementation of Outcome Based Education (OBE) for Outcome Based Accreditation (OBA) from the Academic year 2013-14.

4. Feedback system from stake holders
